ALAMO GROUP INC. TO PRESENT AT INVESTOR CONFERENCE

SEGUIN, Texas, September 8, 2011 -- Alamo Group Inc. (NYSE: ALG) announced that its President and Chief Executive Officer, Ron Robinson, will be presenting at CL King's 9th Annual Best Ideas Conference in New York, NY on Tuesday, September 13, 2011 at 12:15 p.m. Eastern Time.

A copy of the presentation is posted in the "Investor Relations" section on the Company's web site at www.alamo-group.com.

Alamo Group is a leader in the design, manufacture, distribution and service of high quality equipment for right-of-way maintenance and agriculture. Our products include truck and tractor mounted mowing and other vegetation maintenance equipment, street sweepers, snow removal equipment, pothole patchers, excavators, vacuum trucks, agricultural implements and related after market parts and services. The Company, founded in 1969, had approximately 2,390 employees and operates eighteen plants in North America and Europe as of June 30, 2011. The corporate offices of Alamo Group Inc. are located in Seguin, Texas and the headquarters for the Company's European operations are located in Salford Priors, England.

This release contains forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties, which may cause the Company's actual results in future periods to differ materially from forecasted results. Among those factors which could cause actual results to differ materially are the following: market demand, competition, weather, seasonality, currency-related issues, and other risk factors listed from time to time in the Company's SEC reports. The Company does not undertake any obligation to update the information contained herein, which speaks only as of this date.
