#### INVESTOR PRESENTATION

#### SECOND QUARTER 2024 RESULTS SUMMARY

**JULY 2024** 

#### **SAFE HARBOR STATEMENT**

This presentation and related conference call contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are not historical facts and represent only the Company's beliefs and expectations. Forward-looking statements involve known and unknown risks and uncertainties, which may cause the Company's actual results in future periods to differ materially from forecasted results. Among those factors which could cause actual results to differ materially are the following: market demand, supply chain disruptions, labor shortages, competition, weather, disease outbreaks, seasonality, changes in U.S. trade policy, negative economic impacts resulting from geopolitical events, including the war in Ukraine and the Middle East, acquisition risks, financial issues, and other risks and uncertainties, including (but not limited to) those described under the captions "Forward-Looking Information" in Part I, Item 1 and "Risk Factors" in Item 1A of the Company's Annual Report on Form 10-K for the year ended December 31, 2023, as well as other risks and uncertainties listed from time to time in the Company's SEC filings. The Company does not undertake any obligation to update the information contained herein, which reflects management's beliefs and expectations only as of this date. More information about factors that potentially could affect Alamo Group's financial results are included in the Company's public filings.

#### Non-GAAP Measures

This presentation also contains non-GAAP financial measures. These measures are included to facilitate meaningful comparisons of our results to those in prior periods and future periods and to allow a better evaluation of our operating performance, in management's opinion. Our reference to these non-GAAP measures should not be considered as a substitute for results that are presented in a manner consistent with GAAP. These non-GAAP measures are provided to enhance investors' overall understanding of our financial performance.

### Outlook **2024**

- Strong backlog and momentum in the Industrial Equipment Division indicates positive outlook for the balance of 2024 at least
- While backlog remains healthy in the Vegetation Management Division, current interest rates environment and higher dealer inventory levels will prolong headwinds in 2024
- Actions to protect profitability were completed in second quarter and are expected to benefit the remainder of the year
- Supply Chain continues to improve; prices of purchased components stabilized

#### We remain focused on the Company's strategy and positive about our future performance
