About Alamo Group

Alamo Group is a leader in the manufacture and sale of high-quality, purpose-built industrial and vegetation management equipment. We serve end-markets such as infrastructure building and maintenance, industrial construction, public works, land maintenance, agriculture and tree care. Our products are sold to independent equipment dealers and directly to contractors and municipalities. Product categories include vocational products (vacuum trucks, street sweepers, roadside safety equipment, excavators, and snow removal equipment) and light machinery (tractor mounted mowing equipment, land maintenance and recycling equipment) as well as related after-market parts and services. The Company operates two divisions: the Industrial Equipment Division and the Vegetation Management Division. Founded in 1969, the Company has approximately 3,800 employees and operates 27 manufacturing facilities in North America, Canada, Europe, Brazil and Australia. The corporate offices of Alamo Group Inc. are located in Seguin, Texas.

Forward Looking Statements

This release contains forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties, which may cause the Company's actual results in future periods to differ materially from forecasted results. Among those factors which could cause actual results to differ materially are the following: adverse economic conditions which could lead to a reduction in overall market demand, supply chain disruptions, labor constraints, increasing costs due to inflation, disease outbreaks, geopolitical risks, including tariffs, trade wars, and the effects of the war in the Ukraine and the Middle East, competition, weather, seasonality, currency-related issues, and other risk factors listed from time to time in the Company's SEC reports. The Company does not undertake any obligation to update the information contained herein, which speaks only as of this date.
